LO Attainment

Generated: 19 Oct 2026, 06:17 PM

Report Summary

Source file: curriculum_lo_attainment.csv

Total records: 18

Total columns: 7

lo_id	lo_code	lo_description	target_attainment	average_attainment	attainment_gap	attainment_status
AID101_LO1	LO1	Understand the fundamental concepts of Machine Learning.	70	84	-14	Meets Target
AID101_LO2	LO2	Apply the concepts of Machine Learning to solve academic problems.	70	80	-10	Meets Target
AID102_LO1	LO1	Understand the fundamental concepts of Data Analytics.	70	88	-18	Meets Target
AID102_LO2	LO2	Apply the concepts of Data Analytics to solve academic problems.	70	84	-14	Meets Target
AID103_LO1	LO1	Understand the fundamental concepts of Artificial Intelligence.	70	75	-5	Meets Target
AID103_LO2	LO2	Apply the concepts of Artificial Intelligence to solve academic problems.	70	71	-1	Meets Target
CSE101_LO1	LO1	Understand the fundamental concepts of Data Structures.	70	82	-12	Meets Target
CSE101_LO2	LO2	Apply the concepts of Data Structures to solve academic problems.	70	78	-8	Meets Target
CSE102_LO1	LO1	Understand the fundamental concepts of Database Management Systems.	70	76	-6	Meets Target
CSE102_LO2	LO2	Apply the concepts of Database Management Systems to solve academic problems.	70	72	-2	Meets Target

lo_id	lo_code	lo_description	target_attainment	average_attainment	attainment_gap	attainment_status
CSE103_LO1	LO1	Understand the fundamental concepts of Computer Networks.	70	70	0	Meets Target
CSE103_LO2	LO2	Apply the concepts of Computer Networks to solve academic problems.	70	68	2	Below Target
ECE101_LO1	LO1	Understand the fundamental concepts of Digital Electronics.	70	79	-9	Meets Target
ECE101_LO2	LO2	Apply the concepts of Digital Electronics to solve academic problems.	70	74	-4	Meets Target
ECE102_LO1	LO1	Understand the fundamental concepts of Communication Systems.	70	73	-3	Meets Target
ECE102_LO2	LO2	Apply the concepts of Communication Systems to solve academic problems.	70	70	0	Meets Target
ECE103_LO1	LO1	Understand the fundamental concepts of Microprocessors.	70	68	2	Below Target
ECE103_LO2	LO2	Apply the concepts of Microprocessors to solve academic problems.	70	65	5	Below Target
